STUDENT'S RIGHT TO CANCEL

The Student's Right to Cancel provision from the Student Enrollment Agreement in effect for the cohort that entered the institution in the fall semester of 2017 is excerpted below:

"STUDENT'S RIGHT TO CANCEL AND REFUND:

"You have the right to cancel this Student Enrollment Agreement until 12:01 AM on the first calendar day after the first classroom instruction session you attend (12:01 AM on June 15, 2017, for 2+4 only; 12:01 AM on August 29, 2017, for all others), or until 12:01 AM on the eighth calendar day after you sign this Enrollment Agreement, whichever is later.

"Cancellation shall occur when you give written notice of cancellation to the Admissions Office at the University's address shown at the top of the first page of this Enrollment Agreement. You can do this by hand delivery, email, facsimile, or mail. Written notice of cancellation sent by hand delivery, email, or facsimile is effective upon receipt by the Admissions Office. Written notice of cancellation sent by mail is effective when deposited in the mail properly addressed with postage prepaid.

"If you cancel this Enrollment Agreement, the University will refund the amount of tuition that you paid (which does not include the \$100.00 nonrefundable registration fee) within 45 days after your Notice of Cancellation is received by the Admissions Office. For students who purchase health insurance, the premium, estimated at \$3,200.00, is set by the health plan, which is an outside provider, and will not be refunded unless the health plan provides for a refund, and if so, then only according to the plan's terms."

Similar provisions, slightly modified to account for change in date, are in effect for the Enrollment Agreements for the cohort that entered the institution in 2018 and the 2019 admission cycle.
