

Physiology/Pharmacology Faculty - Department of Basic Sciences - California Northstate University College of Medicine, Elk Grove, California, USA

| | |
|------------------------|--|
| Title: | Assistant/Associate Professor of Physiology/Pharmacology |
| Classification: | Faculty; 1.0 FTE Full Time, Exempt |
| Supervisor: | Chair, Department of Basic Sciences |
| Education: | MD, PhD, or Equivalent |
| Salary: | Commensurate with qualifications and experience |

Position Description:

The Department of Basic Sciences at the California Northstate University invites applications for a full-time faculty position with a research focus in human physiology and/or pharmacology. This position participates and assists the Department Chair and faculty colleagues in the planning, directing, and implementation of college of medicine programs and assists in the development and teaching of curricula that integrates the different specialty areas. The position will serve the academic mission of the Department in teaching medical students, performing scholarly activities, and providing institutional service. In addition, other responsibilities may include student advising, student recruitment, retention, and placement efforts.

The successful candidate will be expected to develop and maintain an extramurally funded research program, teach medical students, participate in the interdisciplinary Biomedical Research graduate program, and contribute to the service activities of the department. The Department of Basic Sciences provides an open-policy Laboratory space where Faculty members share several common equipment including PCR machines, microplate readers, imaging system, Flow cytometry, separate tissue culture rooms with incubators and Biosafety level 2 cabinets, cryofreezing and -80 and -20 freezers.

Qualities:

- Exceptional interpersonal communication skills (e.g., with students, faculty, etc.)
- Commitment to professional excellence
- Terminal degree (PhD, MD, MD/PhD, DO, SeD, etc.)
- Experience in teaching Systems at the medical school level will be strongly preferred.

- Experience in teaching in an integrated curriculum will be preferred
- Ability to work effectively in an inter-disciplinary environment
- A history of exceptional scholarly, professional and/or individual achievement

EEO STATEMENT

CNUCOM is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of, race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression as well as sexual orientation. CNUCOM also encourages applications from women and veterans.

Applications will be reviewed upon receipt. For full consideration, candidates should provide curriculum vitae/resume with at least three references. All candidates are asked to provide a cover letter, articulating how their knowledge, experience, and beliefs have prepared them to function in support of California Northstate University's vision and mission statements.

Please submit your cover letter, curriculum vitae, list of references, and any additional information to hr@cnsu.edu. Review of applicants will begin immediately and will continue until positions are filled.

California Northstate is an Equal Opportunity and Affirmative Action Employer. All qualified candidates are encouraged to apply. For inquiries, please contact us at: **e-mail:** hr@cnsu.edu and/or **telephone:** (916) 686-7400.
