

JOB ANNOUNCEMENT: PSYCHOLOGY TEACHING AND RESEARCH FACULTY

JOB TITLE: Assistant/Associate/Full Professor
SUPERVISOR: Dean
EFFORT: Full Time and Part Time , Exempt
EDUCATION: PsyD or PhD

California Northstate University is dedicated to educating, developing, and training the next generation of healthcare professionals. After launching and accrediting the College of Pharmacy, College of Medicine, and the College of Health Sciences, CNU now is seeking experienced psychology faculty to join the team in our new College of Psychology.

This program will provide students with scientifically proven interventions and practical first hand field experience culminating in a doctorate of clinical psychology (PsyD). Graduates will have the knowledge, skills, and experience necessary to take the next steps in becoming a practicing, licensed psychologist.

We are seeking psychology faculty at all levels of academic advancement. This a growing and developing program that allows faculty active involvement in the creation and implementation of this degree. Whether you are looking to teach, engage in clinical work, or conduct research, CNU's College of Psychology has a position waiting for you.

COURSE EXPERIENCE

College of Psychology is seeking faculty with knowledge and experience to teach the following:

1. Foundation of Behavior: Biological
2. Foundations of Behavior: Cognitive and Affective
3. Research Methods and Statistics 1 and 2
4. Psychopathology: Adult
5. Psychopathology Child/Adolescent
6. History and Systems of Psychology
7. Practicum Preparation 1 and 2
8. Standards and Ethics

RESPONSIBILITIES

The Faculty in the College of Psychology are responsible for:

1. Planning courses, preparing syllabi, and teaching
2. Maintaining good working relationships with fellow faculty and administration
3. Participating in the development and revision of curriculum, program evaluation, and assessment of student learning outcomes
4. Making effective use of technology and learning management software
5. Communicating effectively with students regarding course expectations and performance
6. Acting as an Academic Advisor
7. Chairing and participating in dissertation committees
8. Attending all required departmental and University meetings
9. Engaging in University committees
10. If conducting research, establishing and maintaining a dynamic program
11. Participating in professional development activities
12. Maintaining current knowledge of subject matter and effective learning strategies

QUALIFICATIONS

Must have:

1. Demonstrated experience in teaching and research
2. Knowledge of current and future directions in psychologist training and preparation
3. A PhD or PsyD from an APA accredited program
4. Experience working with diverse groups of students
5. Comprehensive knowledge of the discipline of psychology
6. The ability to speak and write clearly and concisely

Preferred:

1. A license to practice in the state of California
2. Completion of an APA internship
3. 2+ year (depending on rank) of graduate teaching experience
4. Experience working on teams with a variety of healthcare professionals
5. Knowledge of local training and educational opportunities for students
6. Establishment of positive and harmonious relationships with others
7. Proven excellence in public speaking
8. Previous experience representing a large organization to the public

APPLICANT SHOULD SUBMIT

- Cover letter that addresses qualification, experience, and career goals
- Resume/CV
- Sample syllabi of classes previously taught
- Name, addresses, and telephone numbers of at least (3) professional references

Please send all application materials to the HR Department at hr@cnsu.edu, or California Northstate University, 9700 West Taron Drive, Elk Grove, CA 95757. CNU is an Equal Opportunity and Affirmative Action Employer. All qualified candidates are encouraged to apply.
