

**PRE-MEDICINE
POST-BACCALAUREATE
SCHOOL PERFORMANCE FACT SHEET
(2015-2016 Academic Year)**

STUDENT INITIAL & DATE:

_____ (a) **Completion Rate: 80%.** Twelve students started the course of study; two students took a leave of absence (not counted in completion rate calculation); two students withdrew; eight students completed the course of study.

_____ (b) **Placement Rate: 87.5%.**

- Five students enrolled into California Northstate University, College of Medicine.
- One student enrolled into California Northstate University, College of Pharmacy.
- One student enrolled into another professional health care educational program.

(Based on eight students who completed course of study.)

_____ (c) **License Examination Passage Rate:** N/A; this course of study is intended to improve the students' qualifications and opportunity for entry into a medical degree program, and is not intended to meet the requirements for licensure in any profession. Applicants are encouraged to review the licensure requirements of the state(s) in which they plan to practice if their intention is to subsequently seek entry into a professional education degree program required for such licensure.

_____ (d) **Salary or Wage Information:** Salary and wage information and data for the health care industry is included in and may be reviewed at the State of California Employment Development Department's Labor Market Information internet website www.labormarketinfo.ca.gov.

Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated following guidelines obtained from state law.
