**Leading with Student Success**  
**A Two-Part Series Focusing on Student Advisement**  
*Part-II*

## *Concepts of Academic Advising*

**Dr. Charles M. Ware, D.H.Ed.**  
*Director of Academic Services*

**Program Description:** What makes for a successful student experience at a college? What is the role of the collegiate environment, the faculty, student peers, and external factors in the overall success of students? If you have ever wondered about these concepts, this 2-part series begins by examining the seminal “Tinto’s Theory of Student Departure” which is one of the first examinations of the intersection between various student success factors and successful student outcomes.

**Presenter: Charles M. Ware, D.H. Ed**
