

Pharmacy PRIDE Application

Professionalism, Responsibility, and Involvement in Dedication to Excellence

May 4, 2021 to March 19, 2022

Name: _____ Student ID: _____

Circle One: P1 P2 P3 P4

Objective:

To fulfill our personal ambitions and college’s mission to advance the art and science of pharmacy through professionalism, responsibility, and involvement in our dedication to excellence.

Participation and Recognition:

PRIDE is a partnership of students, faculty, and administration, which recognizes professionalism and excellence. The activities listed in the PRIDE application are selected by Student Body Council (SBC) under the consultation of the SBC faculty advisor, and help to provide opportunities for students to grow as pharmacy professionals and participate as good citizens in the College and community. All CNU students are eligible to apply, and there is no limit to the number of students recognized with the PRIDE Award. Award recipients will be recognized by the College for their professionalism and service and invited to the end of year CNU Awards Ceremony.

Completing the PRIDE application:

On the following page is an outline of required activities designed to assist students to advance professionally and receive PRIDE recognition for the academic year. See sample below. As each item is completed, write the event number in the event box and fill in the detailed description. For questions, please see the PRIDE FAQ handout, contact your SBC PRIDE representative, email COPSSBC@cnsu.edu, or at www.facebook.com/CNUPRIDE. Please be aware, it is the applicant’s responsibility to clarify questions prior to submission. **Incomplete, inaccurate, or overdue applications will not be reviewed.**
